**Board 3.04.20**

To find a part use Ctrl-F

**Bold** parts are values changes, different than indicated on the **3.04.20** board.

Underlined parts on **PDF** list are not on **3.04.20** board, they are specially mounted after the board is stuffed.

A Part on the PCB or PDF with a **Line through it** is not mounted at this time unless stated.
